Winter of Reading 2022 Activities

Complete any five activities and describe what you did.

You don't have to stop at five!

Just read! Choose a book, any book. What did you read and what was your takeaway from it?

Read a book by an author with a different identity or experience from your own. What did you read and how did it impact you?

Join a book club. Which one did you join, and what was the first book you read?

Read or listen to a story with a child, friend, or family member - in person or virtually. Did your opinions about the story differ from theirs?

Call a CTBL Reader Advisor at 800-685-2136, or email at ctbl.info@cde.state.co.us for personalized reading recommendations. What did we recommend and did you enjoy it?

Pick a book that evokes wintery feelings or experiences. If you need suggestions, contact a Reader Advisor at 800-685-2136 or email ctbl.info@cde.state.co.us.

Visit a library you haven't been to. Where did you go?

Make a visit to one of the local parks, maybe one you've never been to. Where did you go, and what did you enjoy about it?

Watch a descriptive video from our collection. What did you watch and why did you choose this particular video?

Use BARD on your smart phone or tablet and check out an audiobook or magazine. What sparked your interest? (Don't have BARD? Contact a Reader Advisor at 800-685-2136 or email ctbl.info@cde.state.co.us to get set up!)

Read the most recent CTBL Newsletter. What did you learn that was new and/or interesting about CTBL?

Submit a creation to the Maker Challenge at denverlibrary.org/winterofreading. What did you make?

If you need help completing any of the activities, ask our Reader Advisors by calling (800-685-2136), emailing (ctbl.info@cde.state.co) or coming in.
