

Estimate of Fiscal Impact for Amendment C

State revenue. Beginning in state budget year 2020-21, Amendment C will increase state revenue by about \$5,000 per year as a result of additional application and renewal fees for bingo-raffle licenses, based on an assumption of approximately 50 new applicants paying the current fee of \$100. The measure may also increase state revenue from the administrative fee assessed on the charitable gaming proceeds received by bingo-raffle license holders. The administrative fees from new licensees help offset the increased state spending.

State spending. Amendment C increases state spending by about \$83,000 in state budget year 2020-21, and by about \$37,500 per state budget year in future years. This spending is required to process additional bingo-raffle licenses, conduct additional compliance investigations, and make changes to the computer system and reporting tools used for bingo-raffle licensing.
